

Huntig bow

Any kind of hunter recurve bow or longbow can be used that has a wooden handle and window

Traditional crossbow

General definition

The shape and form of the crossbows shall align to historical x-bow types In case of disputation proving tha the bow is historically correct is the task of the archer!!!

Only bows under drawweight of 110 pounds are allowed and one man should be able to use it and keep the rules for safe usage. The x-bow must meet the requirements for safe usage!

Recommendations for historical wear

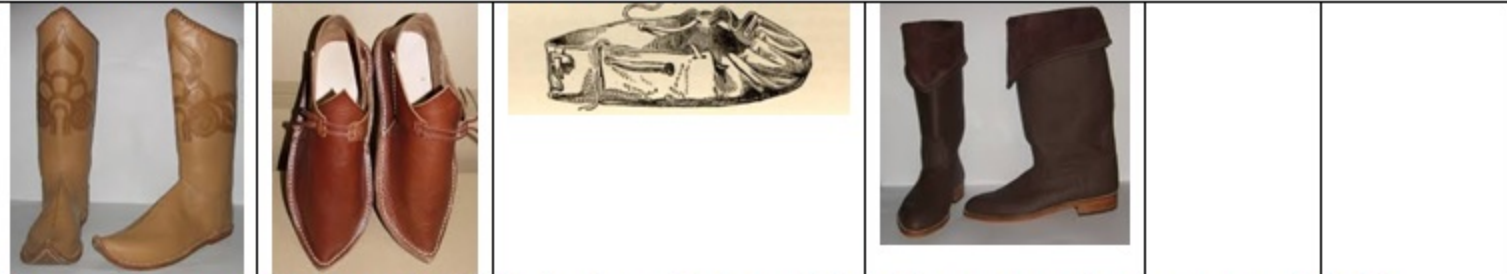

Middle-Age or earlier (peasant, common, noble, peer, chief) historical clothing should be represented.

- Clothing should clearly represent medieval or earlier ages.
- Clearly visible modern clothes are forbidden, *(for example: jeans, sunglasses, out of place colorful sport shoes, baseball cap etc...)*
- The material of the clothes don't have to be authentic, they can be made from modern textile materials.

Clothing:

Foot wear:

- Foot wear representing historical areas: shoes, boots, sandals...

Acceptable: not out of place, colorful flashy shoes. Modern, plain leather or canvas shoes are acceptable *(for example: brown, black, colored linen)*

Bottom clothing:

- Trousers, skirts

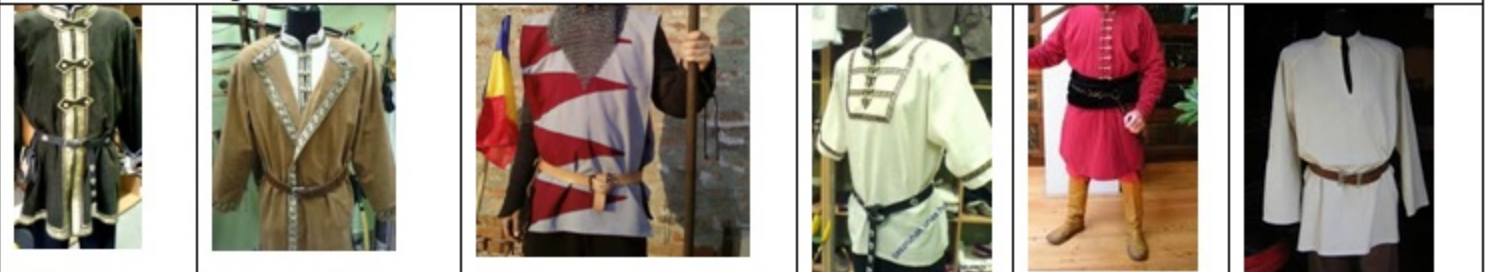

Acceptable: not out of place, colorful flashy clothes. Modern, plain canvas trousers and skirts are acceptable *(for example: brown, black, colored linen)*

Top clothing: *(Team logos on the shirts and caftans are acceptable)*

- Shirt, caftan, cape....

Acceptable not out of place, colorful flashy clothes. Modern, plain canvas shirts and tunics are acceptable *(for example: brown, black, colored linen)*
